5. Data Privacy

- Yes, I agree to the declaration of consent for the collection and processing of data by the Lutheran Church in Ireland!**

Membership requires the collection and processing of the personal data requested in the membership declaration. This data is stored on the ChurchDesk server in Germany and can only be viewed by authorised persons in the pastorate and the church council. We hereby affirm that the electronic data processing carried out by us is based on applicable laws and is necessary for membership to take place. Furthermore, it requires the consent of the member for any further data collection. As soon as the membership expires, the data will be deleted, provided that corresponding data is no longer required. The person giving consent has the right to revoke this consent at any time without giving reasons. Furthermore, collected data can be corrected, deleted or its collection restricted if necessary. Upon request, you can demand detailed information about the scope of the data we have collected. A data transfer can also be requested should the person giving consent wish their data to be transferred to a third party. The undersigned has the right not to consent to this declaration of consent - however, as membership is dependent on the collection and processing of named data, non-consent would preclude membership.

- Yes, I agree to be contacted and receive information by e-mail, post and telephone (especially the newsletter and church bulletin)!**

I agree to be contacted by the church by post (church bulletin, election appeals, information, fundraising), by email (weekly newsletter and general contact) and by telephone (general contact). I consent to the church informing me of free and paid activities, donations and church news. This consent applies to email, telephone and post. My data will only be used for this purpose. No data will be passed on to unauthorised third parties. You can revoke your consent given here at any time by sending us an informal e-mail (info@lutheran-ireland.org) or by using the "unsubscribe" link for the newsletter. If you do not give or revoke this consent to be contacted, this will not affect any other existing agreements with the church.
